

## BUILDING SAFETY CERTIFICATE

Date: 16 / 07 / 2026

School Name: - Nehru Montessori Sr. Sec. School

Address : -Lalbagh, Burhanpur, Madhya Pradesh

Inspection Date : - 15 / 07 / 2026

### Engineer's Certification

Based on the visual inspection of the school building and the information and documents provided by the School Management, the building appears structurally safe for its intended educational use on the date of inspection, subject to proper maintenance and compliance with applicable statutory requirements. This certificate is valid for ten year from the date of issue unless structural alterations or damage occur.

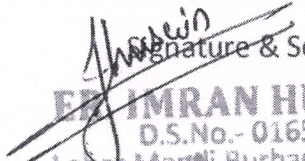

### Limitation of Liability

This Certificate is issued solely on the basis of a visual inspection of the building and the information and documents made available by the School Management.

The undersigned Engineer shall not be held responsible for hidden defects, poor maintenance, misuse, natural calamities, unauthorized structural alterations after inspection, or incorrect information supplied by the School Management.

The School Management remains responsible for maintenance, statutory compliance, and periodic inspections.
