Public Advisory

It has come to the notice of CBSE that some unscrupulous persons impersonating themselves as officers/officials of CBSE are contacting general public claiming to have access to student marks data and asking for money in lieu of increasing marks.

All the students/parents/schools are advised to remain alert and vigilant and prevent themselves from being cheated and share details with local Police Authorities for stringent action under the law.

The members of public are also advised to sensitize other public around them. The Board will not be responsible for any such fraudulent transactions and/or consequences arising out of it.
